It costs the House \$295 to house each family, each night, and while families who stay at the house are asked to donate \$35 per night – no family is ever turned away if financial hardship prevents them from doing so. The rest of the House's costs are entirely supported by foundations, corporations and individuals, like us, who share a primary concern for the brave young children and their families who come to the house during the most difficult of times.

Sponsor A Child & Family For One Month \$10,000

Your gift will provide a temporary home for a child and their family for one month. Includes ten tickets to the reception & corporate logo in printed program.
